

PRINT ADS:

Print ad page size is H 8.5" x W 5.5".

All print ads must be submitted with a dpi of no less than 300px/inch.

Ads can be submitted in either PDF, or PNG file formats.

A 1/8" (37px at 300px/inch) bleed must be provided on all sides as shown in examples below. Please make sure that printing does not fall into the bleed area so it is not covered by binding in booklets. Image may go to the edge of the ad, but not text.

Ad pages will have an 1/8" white frame border. Ads will be displayed edge to edge with no white column or row between ads.

WEB ADS:

Web Ad suggested size: 940px X 300px horizontal banner. Your print ads can be used for your web ad..

Web ads are requested to be submitted in .PNG file formats.

Web ads can have a dpi as low as 96px for faster loading times.
